It's back to school - again

by Chris Flohr

On Tuesday, September 4 our three month summer escape ended. Yes, it was back to that two story dungeon, otherwise known as Northern High School. Most, no, some well, maybe a few were happy to be back. The truth is, it does get a little boring sleeping until eleven, lying in the sun, and going to the pool everyday.

The first week of school is the same everywhere: new books are handed out, you get to know your new teachers and you clown around with all your friends. Northern's first week was no different. By Friday everyone seemed to be adjusted to working instead of sleeping all day. But still, T.G.I.F. was a popular statement on Friday afternoon by everyone from custodians to administration.

Our first week of school was designated as Spirit Week. Spirit Week highlights a different type of spirit each day. Wednesday was Boxer Shorts Day, Thursday was College T-shirt Day, and Friday was Purple and White or Uniform Day. Hopefully this spirit carries through to all of the sports teams for the rest of the school year.

A Friday in high school is what all of us see as the light at the end of a very slow week. Everybody is loose and relaxed. The football jerseys are out in full force, we had a wild n' wooly pep rally on Friday, and Spirit Week concluded. All of that enthusiasm must have really paid off. Friday night, our Polar Bears won. It was the first game at the newly proclaimed Robert F. Bostic Field. The crowd was alive and excited, and everyone went home happy.

Those Friday night home games are just plain fun for all of the students. The whole student body turns out, not only to support the team, but also to socialize and visit with anyone they had not seen all day.

With the first week of school behind us, I'd like to give the obligatory "Welcome Back" to everyone at NHS and give some hope of my own with this countdown: 35 weeks or 171 days until the Summer of '91.

Carroll Township

Continued from page 1

According to Lavertue, the supervisors could take bids for the collection of recycled trash, however, the collection probably will be handled by the county authority.

In other action, the board:

- Approved a final plan of a minor subdivision (2 lots) for Melva E. Dick.
- Released a portion of the bonding for Coover Heights Development.
- Tabled the request of Leroy Nailor for a right-of-way over township property until the September 16 meeting, which the township solicitor will attend.
- Refund $840 to Daisy Ohrum following the denial of a building permit.
- Denied a request to restore eight sick days to police officer Jeffrey Martz.
- Agreed to send Roadmaster Robert Noss and Assistant Roadmaster Paul King to a seminar in Carlisle on October 4 at a total fee of $90.
- Appointed Mike Lau of Siddonsburg Road to the Carroll Township Municipal Authority to fill the unexpired term of Don Sheaffer.

Dover Rodeo

Many of the nation's top rodeo contestants, including the former Miss Rodeo Pennsylvania PRCA, Ann Bathon of Spring Grove who is entered in the ladies barrel racing will gather October 6 and 7 at the Dover Rodeo Grounds, 575 Butter Road.

The rodeo is open to anyone who wants to compete and has insurance. Afternoon performances begin at 2:00 p.m. Saturday and Sunday. Ticket prices are $5.00 donation for adults and $3.00 donation for children. Ticket information will be available by calling 292-9326.

Events will be bareback bronc riding, bull riding, saddle bronc riding, ladies barrel racing and more.

This will be the first time for a rodeo in the Dover area. Proceeds will benefit Children's Home's of York.

a 5 to 2 win. Northern scored four times in the first half with East Penn's goals coming late in the game with many Bear starters on the bench in a contest where the result was never in doubt.

Northern's first goal was scored on a header by Brenizer off a corner by Kilmore at the 1:07 mark of the first period. Next to find the net was Hess with a 25 yard direct penalty kick over the head of East Penn keeper Scott Miller. Geo and Kilmore both scored in the second period to extend the lead to 4 to 0. Hess closed out the scoring for the Bears with an unassisted 4th period goal. Eric Sandarson turned in a good performance as the starting keeper. Miller and Gerber each earned an assist.

The contest was completely controlled by Northern, although the team did seem to flatten out in the third period when the results seemed well in hand.

Mechanicsburg brought their Division I Wildcats to town on Saturday, September 8th, and before they left, a 5 to 1 victory was in their pockets. The Cats scored the first two goals of the game and never trailed.

Northern cut the margin to one goal with 33 seconds left in the first period when Chad Rosenberger scored off an assist from Brian Brenizer. However that was as close as the Bears got. A later apparent goal on a header by Joel Yohn was nullified by a jumping in penalty.

There's no doubt a strong, disciplined Mechanicsburg defense and their quickness up front attributed to the end result. But here's one guess that the Bears can do much better the next time these two teams meet.

Our own passing game just was not there against M'burg, and at times the team seemed out of sync, as when the defense never got set on a direct penalty kick score from 30 yards out. I'm sure the team looks forward to another chance to this non-division foe on September 29th.

Tuesday night will feature a big division III home game with perennial contender Trinity. Game time is 6:00 p.m. for junior varsity and 7:30 p.m. for varsity.

Field Hockey

who was also an all-star selection last year, has been moved to the link position where she will team with Beth Graham, giving the Lady Bears strength at that position.

The Forward line is the part that is perhaps not as strong, but it certainly has plenty of talent to overcome any lack of experience. Lead by Ursula Reed, the third returning All star, and complimented by Beth Strayer and Cherie Phipps, Northern does have the personnel to score goals.

How will the Lady Bears do in the field hockey wars? That will depend strictly on them! As we have reported in other athletic areas, the big unanswered question is do the girls believe and have confidence in themselves? You have to figure that Camp Hill, Shippensburg, Susquenita, and West Perry will continue to show the type of strong programs they have exhibited in the past. Boiling Springs will be a mystery as to just how they will perform. That brings it squarely to Big Spring. The Lady Bulldogs lost some strong players from last year, but they have plenty of talent left over to wind up on top. As to Northern's position, I like them in the role of spoiler this year. On any given day, at any given time they will be able to play with the best in the league! To have a very successful season they will need to stop the insanity of not thinking they are good enough and just go out and do it.

Football

Continued from page 1

Now the curtain goes up on the Division II show! Northern will make the trip Friday night (9/14) down Route #422 to the home of the Hershey High Trojans Hershey Stadium.

The Polar Bears will have their work cut out for them in this division opener for both squads. Last year Hershey invaded Northern and literally ran the ball down the Bear's throats. Look for Coach Bob May to try the same thing this year. He has plenty of size in the line and lots of experience and depth in running backs. Hershey has a Jr. Quarterback who has not shown the passing talent of previous Trojan QBs. Northern will be the third York County opponent to face Hershey this season. Two weeks ago the Trojans nailed Red Lion, and this past Friday tied Dallastown.

It is going to be a tough game for Northern! The Trojans are hoping for big things in Mid-Penn Division II this year, and would use a big game against the Bears as a message to future opponents. Northern has got to continue to play wide open offenseive football. They might also make sure they do not have the kind of turnovers that plagued Big Spring. Good luck Bears!

Rocky Start

by John Middleckauff

The 1990 field hockey season has not gotten off to the kind of start a lot of Northern people hoped for. To be sure, the Lady Bears have not been blown away. In fact, in most instances they have played very well. It has just been the little things that have stood in the way of a spectacular opening. Lets look at what has happened so far.

Northern's F.H. season was started with an away game at Red Land (8/31). The Lady Bears played a very good, very aggressive game. Northern's defense did a fine job, and although the offense could not get the ball into the cage, still it was an excellent effort as the girls lost to Red Land 1 to 0.

Tuesday (9/4) found the Lady Bears playing away again, this time at neighboring Dover. Displaying a great deal of "heart" Northern was able to prevail 3 to 2. The Lady Eagles scored early in the first half, on what can best be described as a silly kind of goal-it shouldn't have happened. But the Lady Bears came back and on the strength of Beth Strayer's two very fine goals took a 2 to 1 lead at the half. In the second half, Northern again started out the way they opened the game. Giving up a silly "cheap" kind of goal. Having had the territorial advantage most of the first half, it looked as if Dover would turn that around in period number two. But Northern really came out of it, as they began to dominate the Lady Eagles and scored the go ahead tally to win their first of the year. Northern's winning goal was scored by winner Ursula Reed on a fine assist from Beth Strayer. As a matter of record, Ursula had the assist on Beth's second score in the first half. On the defensive end, Northern got a strong performance from Gretchen Klaus and Rachel Romberger. And the Lady Bears got a great deal of help from Jamie Rudisill, Beth Graham and Melanie Byers.

Thursday (9/6) found Northern hosting Boiling Springs in their home opener and first Division III engagement. Falling back into the same rut they sometimes showed last year (not moving their feet, standing around, etc.), the Lady Bears dropped a 2 to 1 decision to the Lady Bubblers. Trailing late in this game, Northern averted a shut-out when Cherie Phipps scored the Bears only goal late in the contest. Assisting on the goal was Sophomore Melanie Byers.

On Saturday (9/8) Northern took part in the Dallastown Tournament and came away with a 1-1 record. In the first game against the host team, the Lady Bears lost a heart-breaker 2 to 1 as Dallastown scored very late in the game. Once again the Northern score came off the stick of winger Cherie Phipps. In the consolation game the Bears were able to put the earlier tough loss behind them and beat a determined Delone High School 3 to 2. Northern scores came from Cherie Phipps, who had quite a tournament, and Ursula Reed.

PAC Meeting

The Parent Advisory Council (PAC) will be holding its first meeting of the 1990-91 school year, open to all parents and interested persons, on Monday, September 24 at 7 p.m. in the Northern York High School cafeteria.

The guest speaker will be Mr. Walton Madland, who's varied background includes parent, teacher and principal as well as Director of Staff Development, University Instructor and Lecturer.

In his presentation, "Quality Education-Your Right-Your Responsibility" Mr. Madland will address such issues as: Are your children receiving effective instruction? Does you child's teacher "really teach"?, What is the principal's role in a quality school? This presentation is designed to inform and educate parents on how to identify effective schools.
